ABOUT

I am an avid Senior student pursuing a Bachelor's degree in Industrial Engineering at Hacettepe University. A fast learner with a strong grasp of new technologies, highly motivated to master various software tools and collaborate effectively.

EDUCATION

Hacettepe University ***Ankara***
Bsc. in Industrial Engineering, GPA: 3.42 /4.0 *Sept 2023-Current*

Technical University of Liberec, TUL ***Liberec, Czechia***
Sept 2024-Feb 2025

- *Completed the winter semester through the Erasmus+ Exchange Program, focusing on business administration GPA: 3.74 / 4.0*

Ankara Yıldırım Beyazıt University ***Ankara***
Bsc. in Industrial Engineering, GPA: 3.75 /4.0 *Sept 2022-June 2023*

- To receive a better education and pursue my dreams, I transferred to Hacettepe University.

EXPERIENCE

Volunteered Intern ***Ankara***
Andasis Elektronik Sanayi Ticaret A.Ş. *Dec 2025 - Feb 2026*

- I developed a technical specification analysis and product matching interface.

Project Intern ***Ankara***
Başkent Elektrik Dağıtım A.Ş. *Jul 2025 - Aug 2025*

- With my team, we searched for LED lighting fixture advantages over High-pressure sodium (HPS) luminaire, why to use them, energy efficiency and saving.

Project Quality Management Intern ***İstanbul***
BAYKAR Makina San. ve Tic. A.Ş. *Jun 2025 - Jul 2025*

- At Baykar, I actively engaged in UAV production processes, including quality control, composite wing manufacturing and project management. Also developed proposals digitalization and automation.

Volunteered Intern ***Ankara***
Ministry of Transport and Infrastructure, General Directorate of Maritime *Aug 2024 - Sept 2024*

- Completed my voluntary internship through analyzing and generating a new system for ships carrying harmful load. Gained a deeper knowledge in MS Excel.

Trainee ***[Online]***
YETGEN-Yetkin Gençler *Feb 2024 - May 2024*

VOLUNTEERING

Graphic Designer
